Professor Dr. Rushami Zien Yusoff is currently a Professor at School of Business Management at Universiti Utara Malaysia. He is obtained PhD from University of Bradford, UK.

He is active in teaching/training, consultancy and research in quality, technology, strategic, organisational behaviour and service marketing. Academically, he conducts courses for over 400 local and international organisations.

His consultancy work relates to ISO 9001 Quality Management System certification and the development of strategic Management Blueprint for more than 70 organizations in Malaysia.

He is currently the Vice-Chairman of ISO/TC 176/SC 2 - Quality Systems, a Standard Development body responsible for development, establishment, and enhancement of ISO 9001 for worldwide application.

Parama Iswara Subramaniam holds a B. Sc. (Hons) degree in Mechanical Engineering and a M. Sc. degree in Automotive Product Engineering. Parama has been with SIRIM Berhad and its subsidiary for thirty-seven years.

Parama retired in March 2017 from his position as Senior General Manager of the Management System Certification Department, SIRIM QAS International Sdn Bhd, the largest certification body in Malaysia which has issued over 6000 management system certificates to date. Over the years, he had been involved in the audits of the quality management systems of several hundred organizations.

Subsequent to his retirement, he was appointed as Technical Advisor to the Managing Director of SIRIM QAS International.

He has been the chair of the National Technical Committee (TC) on Quality Systems since 2000. The TC on Quality Systems is the National Mirror Committee of the ISO Technical Committee responsible for the preparation and revision of the quality management system standards, including the ISO 9001 standard.

He has represented STANDARDS MALAYSIA in meetings of ISO/TC 176, the International Organization for Standardization’s (ISO) Technical Committee on Quality Management and Quality Assurance, since 1997. He has also represented STANDARDS MALAYSIA in the ISO Conformity Assessment Committee (CASCO) Working Group on management system certification since 2001.

Kamarul Ariffin A. Karim is a Microbiologist by qualification and has more than twenty years of hands-on working technical experience in the healthcare industries covering facilities and engineering, quality assurance, quality management system, medical devices, serving in the laboratory and general management functions.

He has more than 10 years of management skill in quality consulting, training and auditing with wide exposure to various industries in the context of ISO 9001 and ISO 13485. He is Registered MRCA Auditor and Consultant for ISO 9001, ISO 14001 and 13485 and currently member of Hons.
